

## MILITARY PLOT DEVELOPS IN CHINA

Legations Warn Government  
There Must Be No Fight-  
ing in Capital.

### REBELS NEARING PEKIN

Former Premier Threatening  
City in Revenge for Removal  
of Commissioner.

By the Associated Press.  
PEKIN, July 10.—Gen. Wu Pei-fu and  
Tsun Chih-jui are reported to be moving  
forces toward Pekin along the Peking-  
Hankow Railway in defiance of the  
warning given the Government by the  
diplomatic corps here yesterday that in  
case of an uprising no fighting must  
take place in Pekin and that the city  
must not be subjected to bombardment.  
Gen. Tsun Chih-jui, former Premier, who  
is exercising dictatorial powers, has ap-  
pointed Tsun Chih-kuei, a former War  
minister, to be chief of the forces mov-  
ing to check the advance.  
Martial law has been put into effect  
and the western gates of the city are  
guarded against the unauthorized entry  
of troops.  
Warning has been given to the Govern-  
ment by the diplomatic corps here that  
in case of an uprising there must

be no fighting in this city and that  
Pekin must not be subjected to bombard-  
ment. Forces commanded by Tsun Chih-  
jui, former Premier and Minister of War,  
are surrounding Pekin.  
Gen. Wu Pei-fu, who has been re-  
lieved of the command of Government  
troops in Chih-li, is near Pao Ting-fu,  
thirty miles south of here, but whether  
fighting occurs there will depend, it is  
said, upon acceptance by Wu Pei-fu  
of his dismissal. Chan Tso-lin, Governor  
of Mukden, who has been acting as a  
peace maker, has retired to Tientsin to  
await developments. He has several  
divisions of soldiers under his command,  
but there is no indication at present of  
their affiliations.  
The trouble is a result of the Govern-  
ment's dismissal of Gen. Hsu Shu-  
cheng as resident commissioner of Inner  
Mongolia. He is a leader of the Anfu el-  
ement, which received a defeat when the  
appointment of Chou Shu-mu to the  
post of commissioner was announced. The lat-  
ter's nomination has been blocked in  
Parliament, and the Anfu element is  
pressing for the appointment of Tsun  
Chih-jui.

WASHINGTON, July 10.—American  
forces now in Pekin consist of a legation  
guard of 275 marines, commanded by  
Col. Mason Gulick.  
Army forces are stationed there, the  
Fifteenth Infantry, the only American  
army detachment in China, is at Tien-  
tsin, about eighty miles from Pekin, and  
could be brought up to the capital on  
short notice, officials said to-day.  
Besides the American infantry regi-  
ment of about 1,600 men at Tientsin,  
there are approximately 2,300 other  
troops there, according to information  
here. They include 1,500 Italian, 500  
British, 750 Japanese and 700 French.  
The American marine guard is the  
largest at Pekin. The international  
force is estimated at 1,400 men. In the  
event of an attack this force probably  
would be commanded by Col. Gulick.

## DENIES IMPROPER USE OF SIBERIAN MAPS

Military Attache at Tokio Re-  
plies to Insinuations.

TOKIO, July 8.—In connection with  
the case of T. Oyama, arrested late in  
June charged with attempting to sell  
military maps, the American Embassy  
to-day turned over to a representative  
of Oyama some 300 maps of Siberia  
which Oyama had left temporarily in  
the office of Col. Charles Burnett, the  
American military attache, saying he  
wanted to sell them. Before being able  
to regain possession of the maps, which  
Col. Burnett decided were of no value,  
Oyama was arrested.  
Viscount Uchida, the Foreign Minis-  
ter, wrote to Edward Bell, the Ameri-  
can charge d'affaires, informing him  
that Oyama in his deposition declared  
he had left the maps in the American  
embassy. The Japanese, he said, want-  
ed them to use as evidence in the at-  
tempt to establish the guilt of the de-  
fendant.  
In his reply to the Foreign Minister

Mr. Bell said: "As the case is the  
subject of judicial investigation I have  
refrained from any public statement  
relative to newspaper articles insinuat-  
ing that the American attache acted  
improperly in connection with the at-  
tempted sale of the maps."  
In conclusion Mr. Bell requested that  
his note be published, so that the entire  
matter might be presented in its proper  
aspect. Subsequent negotiations re-  
sulted in Mr. Bell turning the maps  
over to Oyama's representative, and  
thus the incident so far as the Ameri-  
can Embassy was concerned was closed.

### 100 DROWNED IN COREA.

4,500 Houses Flooded When River  
Ran Overflows.

TOKIO, July 10.—One hundred per-  
sons are thought to have been drowned  
and 4,500 houses flooded in Seoul,  
Corea, by the overflowing of the River  
Han, according to advices from Seoul  
to-day.  
Considerable other damage was  
caused and troops have been called out  
to protect the city, the advices say.

## SOCIALISTS TO SEND PARTY TO RUSSIA

Algernon Lee One of Four to  
Study Conditions.

DETROIT, July 10.—A committee of  
American Socialists will go to Russia  
to study social and economic conditions  
as soon as passports can be obtained.  
It was decided here late to-day at a  
meeting of the Socialist National Com-  
mittee, here to map plans for the coming  
political campaign.  
The commission will be similar to the  
British mission which some time ago  
visited Russia. The American committee,  
composed of four members, will make  
a report on the conditions to the Social-  
ist Party of America, it was announced.  
Members of the commission are Al-  
gernon Lee, New York city; Algernon  
Joseph E. Cohen, a printer of Philadel-  
phia; James O'Neal, New York news-  
paper man, and Alexander Trachten-  
berg, doctor of philosophy at Yale Uni-  
versity, and who was exiled from Rus-  
sia following a revolution that pre-  
ceded the overthrow of the Czar.
